

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 92-423-W - ORDER NO. 92-892 *lc*
OCTOBER 7, 1992

IN RE: Application of E & R Partnership for) ORDER APPROVING
Approval of an Extension of Service) EXTENSION OF
Area into Gin Pond Subdivision,) SERVICE AREA AND
Clarendon County.) RATES AND CHARGES

By Application filed on July 30, 1992, E & R Partnership (the Company) filed an Application with the Public Service Commission of South Carolina (the Commission) requesting approval of an extension of service area to include the water system in the Gin Pond Subdivision, located in Davis Cross Roads, Clarendon County, South Carolina. The Application was filed pursuant to R.103-702.2 and .3 of the Commission's Rules of Practice and Procedure.

The Company is a partnership under the laws of the State of South Carolina and is subject to the jurisdiction of the Commission pursuant to S.C. Code Ann., §58-5-10, et. seq. (1976), as amended. The Company was previously granted certificated service areas, and rates and charges for water services have been heretofore approved by this Commission.

By letter, the Commission's Executive Director instructed the Company to publish a prepared Notice of Filing, one time, in a newspaper of general circulation, in the area affected by the Company's Application. The Notice of Filing indicated the nature

of the Company's Application and advised all interested parties desiring participation in the scheduled proceeding of the manner and time in which to file the appropriate pleadings. The Company was likewise required to notify directly all customers affected by the proposed extension. No Petitions to Intervene or Protests were filed.

The Company's Application was accompanied by a service area map reflecting the proposed extension. A request was made for a waiver of the required public hearing. No opposition to the extension was received by the Commission. Therefore, after proper notification was given to all affected customers, the Commission approved the request and waived the public hearing.

Upon thorough review of the matters contained in the Application and all matters relative thereto, the Commission is of the opinion and so finds the relief requested therein by the Company should be granted. The Commission finds that the water service to be made available to the customers in the Gin Pond Subdivision of Davis Cross Roads, Clarendon County, South Carolina, should not impair the ability of the Company to continue to provide service in its existing service area in a manner consistent with the Rules and Regulations of this Commission and applicable laws of this State. The Commission further finds that the proposed extension does not interfere with the service of any other jurisdictional utility.

The previously approved rate schedule for the Company is as follows:

Flat Rate Per Month	\$9.00
Tap Fee	\$200.00

The Commission finds that these rates and charges previously approved for the Company are just and reasonable and as such should be approved for the extended service area. These rates and charges also appear herein in Appendix A.

IT IS THEREFORE ORDERED.

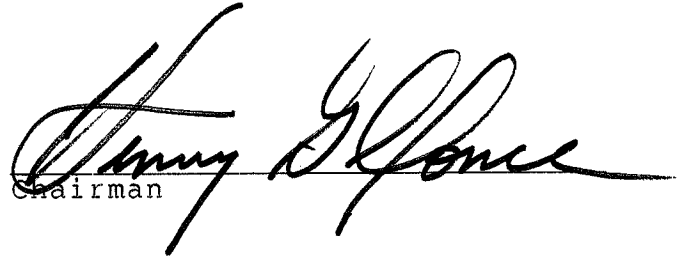

1. That the Application of E & R Partnership to extend its previously authorized service area is hereby approved.

2. That the service area previously authorized for E & R Partnership is hereby extended to include water customers in the Gin Pond Subdivision, located in Davis Cross Roads, Clarendon County, South Carolina, as reflected in the service area map submitted with the Application.

3. That the schedule of rates and charges previously approved for the Company and attached hereto as Appendix A are hereby approved for the area, approved herein effective for service on or after the date of this Order.

4. That this Order shall remain in full force and effect until further Order of the Commission.
